=====

With reference to the Government memo, quoted above, I have to state that this Board was receiving till now contributio from Provincial Funds in respect of Education tax levied at the rate of 4½ pies in the rupee of land revenue. But after the issue of G.O.No.530, Education and Public Health dated 6-4-'45, it was presumed that all District Boards would be getting the contribution payable from Provincial Funds in respect of educat tax levied at 3¾ pies in the rupee of lan

2. From the Government memo. quoted above, it is now clear that this district board will not be affected by the orders issued in G.O.No. 530 Education and Public Health dated 6-4-1945. The sum of Rs.4,104 /- added to the deficit may therefore kindly be deleted, in which case the net deficit in the Elementary Education Fund works out to Rs.2,59,100/- instead of Rs.2,63,200/- as shown in this office reference quoted above.

3. I, therefore, request that the Government may be pleased to sanction additional grants to cover up the deficit in the Elementary Education Fund at an early date.

Elementary Education - Grant of deficit allowance to Local Fund Deficits for 1944-45

The ODS South Kanara reports that there will be a deficit of about Rs 2.5 lakhs in the EE fund account at the end of 1944-45. The question for consideration is what is to be done when this deficit should be met. The LA Dept. may be requested to say what portion of the deficit can be met by the payment of an additional contribution from the general funds. As regards the copying of the Proceedings or Action part of it is submitted that LA. have noted separately that the entire ~~copying~~ typing fee compensation will be required for ~~copying~~ typing off the deficits in the general account.

C. Section.

Please see the note of the E+PH Deptt above. That department wants to know whether this Govt can pay an additional contribution of 13 l. The contribution from the General account ordinary & Elementary Education account to meet the deficit in the latter account

The Budget estimate of the District Board for 1945-46 as revised by govt and with reference to the actual opening balance on 1-4-45 closes with a deficit of Rs 1,56,448 under the General account. Ordinary. The sum of Rs 15842 sanctioned to the Board as arrear toll compensation in the current year will not be sufficient to wipe off the deficit referred to above. The additional income of about Rs 67500 which the Board will get from the additional land cess and the additional income which it will get from other sources (namely - net proceeds of Entertainment tax and additional Stamp duty) will be required to wipe off the deficit in full and also to meet the additional expenditure of Rs 40002 involved in the payment of dearness and war allowances. It may not therefore be possible for the District Board to pay any additional Contribution to the Elementary Education fund

(at enhanced rates and to maintain the required minimum closing balance)

In the circumstances explained by Dir. it appears that a subsidy should be sanctioned from Govt funds to cover the entire deficit in the EE Fund account. [Education tax is now being levied (in the area of the Dt. Bd.) as 12 pies in the rupee of land revenue & the income from the tax is less than two lakhs of rupees. The Dt. Board cannot be considered "well-to-do" for purposes of enhancement of the rate of tax beyond 12 pies]. -

Fin (Exp. B)

The Elementary Education Fund Account of the South Kanara District Board for the current year, based on the actual opening balance on 1-4-45 (Rs. 35,472/-) is expected to close with a deficit of 2.59 lakhs. Additional expenditure on payment of dearness allowance to revised rates debitable to the Fund account is Rs 1,20,353- (case see p. 3 c/f). The L.A. Dept. have examined the question of the ability of the general account of the Dt. Board to make an additional Contribution to the E.E. Fund account and have stated that, even after taking into account the additional income accruing to the Board under Land Cess, Toll Compensation and other sources, the general account will not be able to contribute anything more to cover the deficit in the E.E. Fund account. A Govt. subsidy will therefore have to be given to wipe off the deficit.

2. This Dept. may suggest that a sum of Rs. 2 lakhs (two lakhs) may now be sanctioned provisionally as subsidy. The question of giving a further subsidy, if any required, may be examined later and sanctioned in February 1946 on receipt of the R.E. for 45-46 when a clearer appreciation of the financial position of both the general account and the E.E. Fund account of the Board will be possible.

3. The expenditure may be met from the provision of Rs. 23.70 lakhs included in the current year's budget under "37. Education — 1. Primary — Grants to local bodies for primary education — A. Local Bodies — I. DS

ao – A I.4. Teaching for grant to local bodies for
ment of dearness allowance.

Sc. H & L.A. Depts. have proposed
separately that in cases like this
an advance subsidy of $\frac{2}{3}$rds of the deficits
at present anticipated in the Elementary
Fund Accts of local bodies may be sanctioned
now subject to adjustment later in the year
after examination of the R.E. for the current
year of the Municipal & Taluk Fund
Accounts. In accordance with that proposal
an advance subsidy of ($\frac{2}{3}$ of 2.57 of 2)
1.73 lakhs may be sanctioned in this case.
